GIPN – 2026

We are delighted to invite you to the ***Global Webinar on Innovations in Paediatrics & Neonatology (GIPN-2026)***, a global virtual event hosted by ***RMN MedCon***. This summit brings together leading voices in pediatric medicine to share knowledge, discuss research breakthroughs, and explore innovative strategies shaping the future of child healthcare.

Join leading professionals, educators, researchers, and healthcare leaders from around the world for an interactive virtual event featuring expert talks, panel discussions, and real-world case insights. Whether you are a practicing pediatrician, pediatric nurse, student, educator, or healthcare innovator, this summit provides exceptional learning and networking opportunities — all from the comfort of your own screen.

On behalf of the Organizing Committee, we are pleased to invite you to participate in the Global Webinar on Innovations in Paediatrics & Neonatology 2026 — a premier global virtual event dedicated to advancing pediatric practice, research, education, and collaboration worldwide.

We look forward to your valuable presence at this inspiring global event and to sharing knowledge, insights, and innovations together.

Sincerely,
Henry Nicholas
Webinar Chair
